Plant oil extraction course

Course Overview:

Have you ever imagined how ordinary plants can be transformed into pure oils that carry amazing benefits? Join us on an exploratory journey into the heart of nature, where you will learn the art of extracting vegetable oils in innovative and effective ways. We will take you step by step to discover how plants can be transformed into liquid treasures, through practical experiments and knowledge of the necessary tools and equipment. Let's discover together the secrets of nature and the art of extracting vegetable oils.
